

Three Days to Offshore Asset Protection in Panama

Congratulations, following these guidelines you will be able to have an offshore Panama bank account in three days. You have decided to conduct your offshore asset protection in Panama and you have made an intelligent decision.

The minimum opening deposit is \$1000. The bank account can either be in US dollars or in Euros. The documents required are; a notarized copy of your passport, a notarized copy of your driver license, a bank reference letter from your lawyer, business associates or accountant.

The minimum opening deposit is \$1000. The bank account can either be in US dollars or in Euros.

Law firms will also provide Resident Agents, 3 Nominee Directors with resignation letters, and the Share Certificates for bearer share corporations. They can also provide the Register Book, Corporate Resolution and the Articles of Incorporation.

Law firms offer these different packages regarding the different types of asset protection structures you want to use.

There are structures like a corporation with a bank account, a foundation with a bank account or a foundation with a corporation with a bank account or variations of these that everyone can use.

The documents required are; a notarized copy of your passport, a notarized copy of your driver license, a bank reference letter from your lawyer, business associates or accountant.

If you have decided to conduct your offshore asset protection in Panama, you have made an intelligent decision. All you need are the required documents mentioned above, the minimum deposit amount and the legal fees required. You will be well taken care of by your legal counsel.

Congratulations, following these guidelines you will be able to have an offshore Panama bank account in three days. Now doesn't that sound simple?
